SHEKEL MERAV 2000 O/P Indicator Industrial Application

SHEKEL All the weigh!

SANS 1649 compliant - Legal for Trade

Model & Specifications:

MERAV 2000 O/P
(for PLC - Programmable Logic Controller)
➢ Up to 12 x Load cells,
➢ Power: 220VAC mains only
➢ 4-20mA output, 0-10V, BCD,
➢ RS232 output
➢ Weight memory

Optional - Stainless steel housing

MERAV 2000 DENISE O/P
➢ Specifications as above
➢ Fully stainless steel IP67 housing

Process control applications

Optional: PANEL MOUNT

Specifications:
■ PVC Box
■ Pilot lights
■ Start & Stop button
■ Power Supply/Mini-Rel
■ Surpressor
■ 4 X Relays
■ Cabling & connectors

Standard specifications:
➢ 6 digits 1" LCD Display
➢ All functions are programmable using 4 keys
➢ Flexible decimal point
➢ Division: 1, 2, 5, 10, 20, 100, 200, 500
➢ Accuracy: 3000d suits OIML-H44 standards
➢ Resolution: 10000d, 120000 internal divisions
➢ Analog / Digital Filter, analog signal with 3.3µV/sec sensitivity
➢ Auto Tare and manual Tare input
➢ Connects up to 12 load cells 350ohm, p/supply 5V-10V to each load cell
➢ Power source 50/60 Hz 230 VAC
➢ RS232 Communication to PC or printer
➢ Weight memory
➢ **EASY PANEL MOUNT HOUSING**
