# *Preciso model* **HCS3033D**
## High capacity precision scale

**Technical Specifications:**
- Display: Large LCD with back-light
- Power: 220 VAC
- Sensor: load cell
- Pan size: 30cm x 34cm
- Material: Cast aluminum and static resistant ABS
- Stainless steel weighing pan
- Working temperature: 0-40°C
- Stabilization time: ≤3s
- Function: Counting/Tare/Zero/Add/Delete/Print3, High and low limited weight alarm, memorize the out-power weight2
- Unit: kg/g
- Overload Indication
- RS232 interface

Capacity:   0g – 30kg
Accuracy:   0,1g
